

Dear Parent/Guardian,

Hello and welcome to the 2019-20 school year! My name is Ms. Kenney and I will be your child's resource teacher for Math, Social Studies, Science, and Reading/Writing. I will help your child work on improving individual academic goals and independent work skills. I'm looking forward to a great group of students and many exciting activities.

Studies show that parental involvement in a child's education is one of the strongest indicators of student achievement. I know if we work together your child will make progress and develop a feeling of success.

I'm very excited to work with the students and am looking forward to talking with you as well. Please stop by our classroom, Room 100, on Curriculum Night Thursday, September 19th.

You are always welcome to contact me about concerns or accomplishments you want to share about your child. You can reach me by a note sent with your child, e-mail, or by telephone. If something comes up and you need to speak to me please feel free to call or we can schedule a conference for a time that is convenient.

Thank you in advance for your cooperation and involvement with your child's education. Lets have a great year!

Ms. Kenney
